## HOW WE WORK

*hello...*

We introduce exclusive designs with meticulous attention to detail that are sure to delight, whether full renovations, consultations or one of our design packages.

Above all, we will create a new space that will enhance the way that you live and put a smile on your face.

So, now let's go through our process from when we are first introduced to one another, to all the fun and exciting ways the design process unfolds, to unveiling the finished result which is sure to fill you with joy!

1

We begin by meeting you and walking through your home to discover your vision and establish a direction in which to take your design .

2

Measuring your space & documenting all details that pertain to the design, we also invite bids from our tradespeople and fabricators.

3

Create a preliminary design scheme with color palettes, fabrics, furnishings, window, floor treatments and renderings

8

Unveiling. We walk you through your new space demonstrating how our design concepts have been brought to life.

4

We present to you our exciting new designs for your home, in a way that you can easily visualize. This is also the time for any re-selection or changes.

7

Installation and Styling time! All the furnishings are delivered and styled perfectly in your home.

6

While overseeing each step of construction we manage every detail of delivery and installation.

5

Upon approval, we arrange all aspects of procurement and collaboration with contractors and tradespeople.

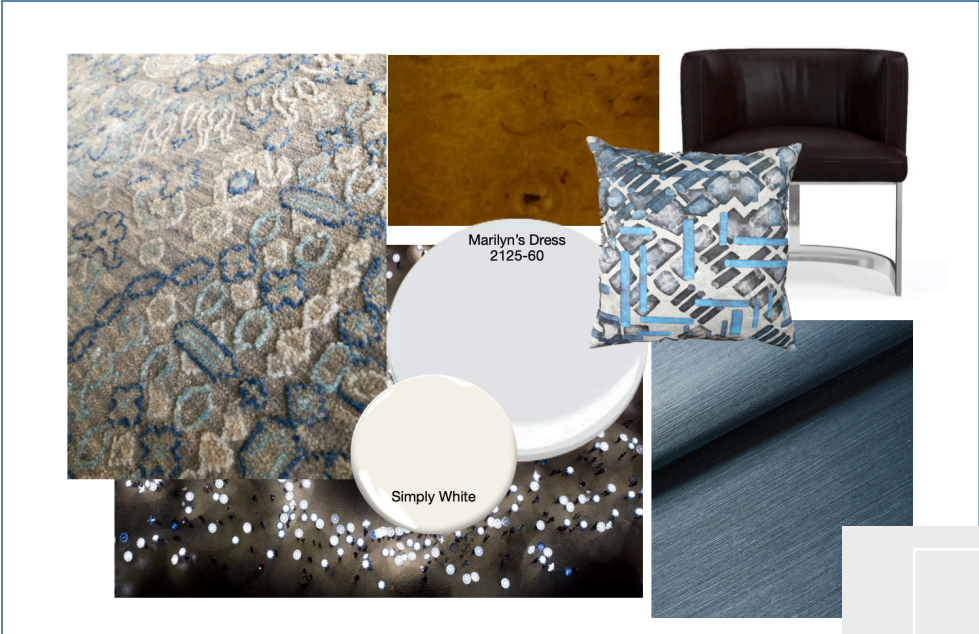

WE LIKE TO PAY PARTICULAR ATTENTION TO DETAIL SO THAT YOUR UNIQUENESS IS REPRESENTED IN YOUR HOME, WHETHER IT'S A FINELY TUNED COLOR PALETTE WHERE EACH HUE AND UNDERTONE IS PAINSTAKINGLY SELECTED IN RELATION TO EACH OTHER OR A CAREFULLY CURATED COLLECTION OF BEAUTIFUL TEXTURES, PATTERNS AND SILHOUETTES.

CO-ORDINATING FABRICS USING TEXTURE, DIMENSION AND COLOR FOR A BESPOKE LOOK.

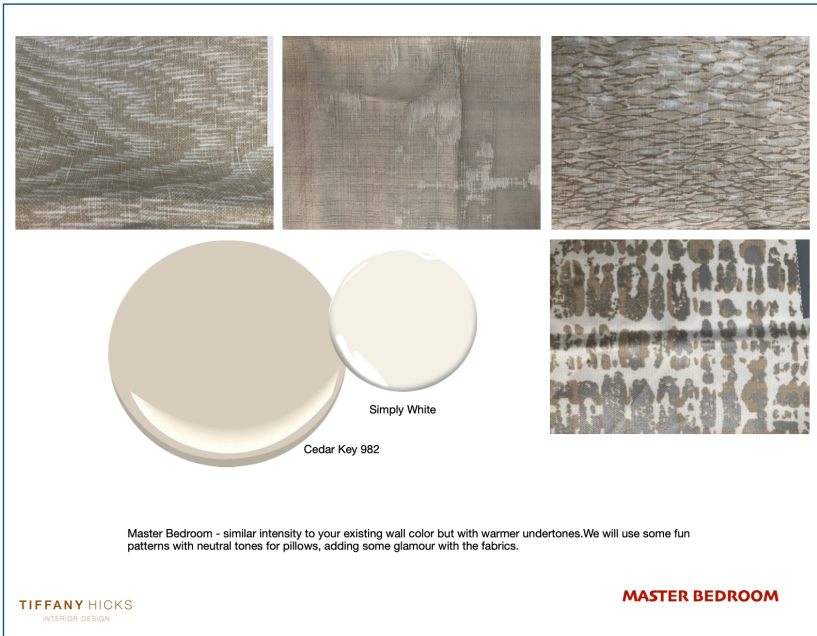

WE PRIDE OURSELVES IN HAVING EXCELLENT RAPPORT WITH OUR VENDORS, TRADESPEOPLE AND FABRICATORS. THIS IS ESSENTIAL WHEN OUR FOCUS IS ON PRECISION AND DETAIL.
